CONSENT CALENDAR

Tuesday, April 29, 2025
9:30 a.m. -- 1021 O Street, Room 2100

- | | | | |
|-----|--------|--|--|
| 1. | SB 793 | Archuleta | Public safety: lighters: standards: prohibition. |
| 4. | SB 339 | Cabaldon | Medi-Cal: laboratory rates. |
| 6. | SB 650 | Cabaldon | The Sacramento-San Joaquin Delta Reform Act of 2009. |
| 10. | SB 750 | Cortese | California Residential Mortgage Insurance Act.
<i>The proposed amendments incorporate amendments that were agreed to in the Senate Housing Committee, and technical changes to incorrect cross references in two sections of the bill. The amendments taken in the Senate Housing Committee require that any eligible housing development project must be for affordable housing, as defined, and requires the Legislative Analyst's Office to report to the Legislature regarding the effectiveness of the program, with recommendations for adjustments to the program to increase the distribution of credit enhancements, as specified.</i> |
| 21. | SB 355 | Pérez | Judgment debtor employers: Employment Development Department. |
| 27. | SB 738 | Rubio | The Reclaim Act.
<i>The amendments, as proposed in the analysis, clarify the scope of activity that qualifies as vexatious litigation and clarify when, and how, a person protected by a protective order can obtain relief from abusive litigation by the subject of the order.</i> |
| 39. | SB 861 | Business, Professions and Economic Development | Consumer affairs. |
| 44. | SB 517 | Niello | Home improvement contract requirements: subcontractors.
<i>Amendments proposed by the author would replace the 50 percent threshold for listing a contractor and instead require a home improvement contract to state whether or not contractors will be used, as specified, and applies this requirement to change orders.</i> |

50. SB 236 Weber Pierson

Cosmetics: chemical hair relaxers.

The proposed amendments are: (1) amendments the author agreed to take in Senate Environmental Quality Committee, but due to timing, are being taken in this Committee; and (2) amendments to clarify that the Department of Toxic Substances Control can take certain factors into consideration when assessing a civil penalty.
